

HAND DELIVERED

FAO The Occupier

13th January 2025

Dear Neighbour,

Liss Forest Nursery, Petersfield Road, Greatham, Hampshire GU33 6HA

You may already be aware that Cove Construction Ltd now own the above site and following the granting of planning permission for 37 No. houses, we will be commencing the development, in terms of carrying out some tree clearance / maintenance works on the site, from the 20th January.

These tree works will be followed by some boundary fencing works.

Once these works are complete, we will commence the demolition and site clearance but don't currently have a start date for this yet and will advise this once we have a date agreed.

It is our intention to keep the impact of our site works to a minimum, but if you have any cause for concern, then please feel free to contact us on the number detailed below.

Kind Regards

Richard Barwick
On behalf of:
Cove Construction Ltd
